Hurry up everyone! We're going to be late!
It's your thing, Mom. It starts whenever you get there.
I don't want to keep people waiting!
And I want you to leave your phone at home when we go. You're on that thing too much.
wh-
MOM!!!

Don't act like that.
Come ON! I'm gonna be so BORED!
Please Mom! I used my phone to set up this whole dinner for you, and you wanna take it AWAY!?
Fine. Just don't spend all your time on it. I want to see you actually speaking with others.
I think I wanna stay home and eat Lucky Charms instead.

I'm glad you could come out, Amy. I haven't seen you in a while.
What's that?
Happy to be here.
What's that Mom?
How are the kids?
©EWS
Carrie and Timmy are just great
Tim.
What is it mom?
Right. You saw Tim recently, and Carrie is a handful as usual.
Mom! what is that!?
It's funny, Tim was never really noisy or talkative, but – well you can see what's going on here.
Is it fish mommy?
Is it?
It looks like fish
Is it?
Mom?
MOM!
Yes dear, it is fish. It's salmon.
I wanted to know 'cuz fish is gross.
Im'ma throw it at Timmy
Noo...

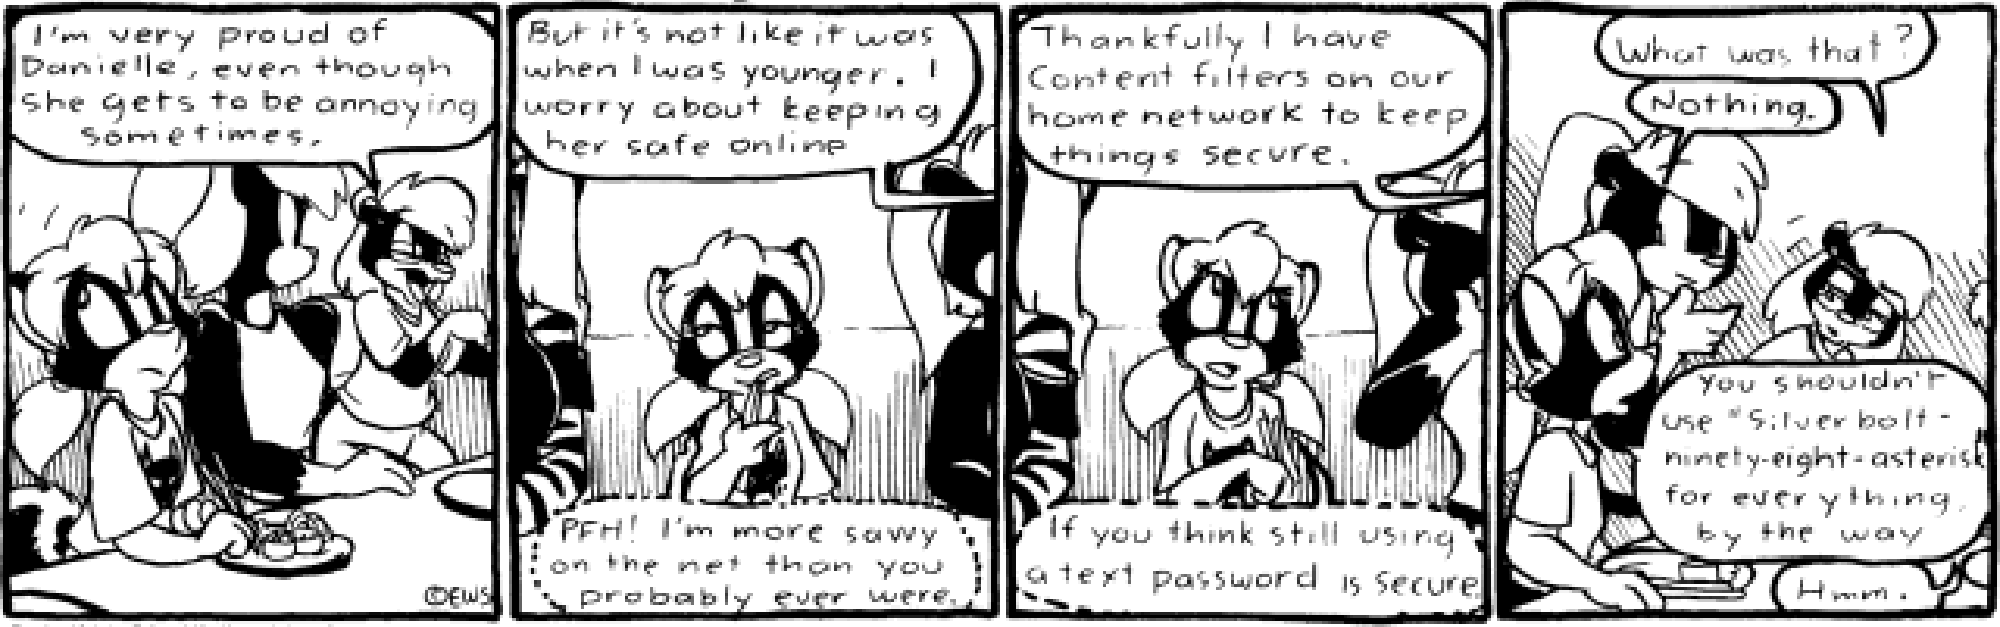
"Flash-Forward fourteen: Ha-Haaa!... sad."

How have you been, Dad?
Oh, I'm Fine.
How's Mom?
She's doing well.
She still recognizes me... most of the time.
I'm sorry.
It's not your fault.
Yeah, but we should be visiting more often. Right, Tabitha?
Tabitha?
But it's all just really depressing!
Life is not supposed to be fun!



I'm very proud of Danielle, even though she gets to be annoying sometimes.
©EWS
But it's not like it was when I was younger. I worry about keeping her safe online
PFH! I'm more savvy on the net than you probably ever were.
Thankfully I have Content filters on our home network to keep things secure.
If you think still using a text password is secure
What was that?
Nothing.
you shouldn't use "Silverbolt-ninety-eight-asterisk" for everything, by the way
Hmm.

Weren't Carli and Spike going to be here?
Nan' Nan!
They couldn't make it. Babysitters are boycotting them now.
I totally understand.
I think most of us here owe a lot to Sabrina in one way or another.
For example, if not for her ideas and guidance, my studio might have gone under like so many others did.
I may have success and fame, but she has a great life, a great family and lots of friends
Compared to that, what do I have, really?
I mean — oh God.
Never go to therapy kids. It'll just screw you up more.
AMEN!

A toast, to a great business partner, and better friend.
HEAR HEAR
Yeah
To you Sabrina!
SABRINA!!
SABRINA!
Sabrina? You OK?
Huh?
Sorry, I think I zoned out and had some kind of weird dream. Either that or I'm clairvoyant.
Did you see a space probe with an old flute inside?
uh-
no?
It's probably nothing then.

"It only took five months - what's your hurry?"

You know, you never answered my question.
What - question was that again?
I was asking if you would marry me.
Oh...
that.
Sure - What the hell.
By the way, what's your opinion of the name 'Danielle'?
Hmm?

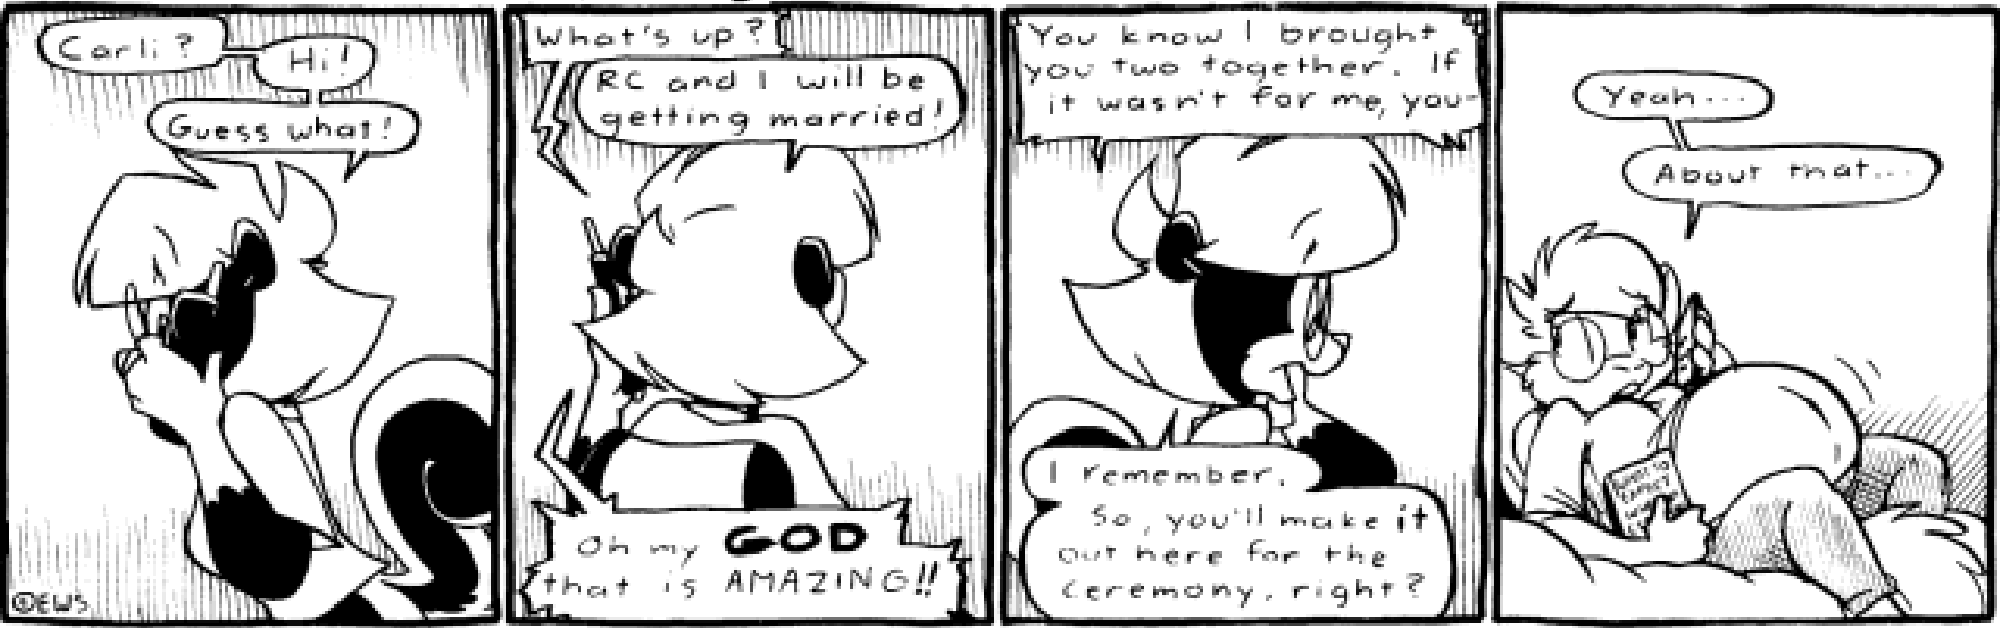
Sabrina, you're worked up! What's going on?
I'm getting MARRIED!
look!
Whoa! That's incredible news!
I'm so happy! I gotta make plans, but I had to tell everyone first!
I'm ecstatic for ya girl!
See you later!
Wow, that's...
Tina, could you please call my shrink?



Carli?
Hi!
Guess what!
©EWS
What's up?
RC and I will be getting married!
Oh my GOD that is AMAZING!!
You know I brought you two together. If it wasn't for me, you-
I remember.
So, you'll make it out here for the ceremony, right?
Yeah...
About that...

Thanks for the ride Sabrina.
My pleasure.
Thomas and I wouldn't miss your wedding for the world.
That's great. How are you two doing, by the way?
We're fine. It was rough for a while, but we're doing much better now.
Y'know, I always wanted to have a house on this street,
- when we get the money, that is.
I could see that.
It's a nice neighborhood.

I should be happy for Sabrina. I mean, I AM happy for her.
©EWS
but when she told me she was getting married, this tremendous uneasy feeling hit me right in the gut. What's up with that?
Well, there are a number of possibilities.
The feeling you've lost an opportunity,
a desire to protect her,
a desire to posess her,
jealousy of her relationship
Desire to be more important than her fiancée,
Or just simple fear of change
but only you can know for sure what your difficulty is.
It's definitely less than four of those things you said.

Hi Mom!
Sabrina! To what do we owe the pleasure?
I have really big news!
I'm getting married!
Really!?
To whom?
Who do you think?
The raccoon?
Of course the raccoon!
No - no, I can't allow that.
What - this again!?
He's just not right for you.
What's wrong with him?!
He's — well, how can I say this without sounding species-ist?
Well you don't start THAT way!!

Why are you being like this? Didn't that movie with the fox and the rabbit teach you anything?
What movie?
Never mind.
Can I be the flower girl?
Look, I just think people of different species don't go well together.
You have to be kidding! RC and I have been a couple for years now!
I was hoping that was a phase.
Seriously though, I know plenty of mixed couples, and mixed children, and they're all great!
Look Mom. I'd rather have you with me, but this is happening whether you approve or not.
Well?
Well, what about respecting your elders' wishes?
That's more of a twentieth century thing.
I got an idea to use this T-shirt cannon I found.

You need to understand I'm only trying to protect you!
WHAT!?
Warren, back me up here!
Sorry, but I can't.
WARREN!?
Endora, R.C is a very nice boy, and he would never do anything to hurt Sabrina. I'm sure they'll be very happy together.
But—
Remember how your parents didn't think much of me? They were dead set against us marrying back then.
Yes, but they were just being old-fashioned, and I knew better than—

Perhaps you'd like to examine the nature of your relationship with Sabrina.
I guess I'm not sure exactly what it is.
©EWS
When I first met her, I just saw this innocent, cute-as-all-hell girl, and such a little prude.
Part of me wanted to mess with her. Another part REALLY wanted to mess around with her.
That didn't happen, but we got to know each other better, and things changed. Somehow she became one of my best friends who doesn't have sex on camera.
I think we've both been positive influences on each other. That's why I want to protect her. I —— love her
She's the next-best thing to family to me.
That's actually rather sweet.
That's not to say I wouldn't totally get all up in that if I didn't think I'd get my ass beat for trying.

So, how are things?
Rough,
but I have good news at least.
Whazzat?
©EWS
My mother grudgingly accepts you, and won't stand in the way of our marriage.
Oh.
that's... good?
Oh well — give me some time to win her over, and maybe she'll love me just like you do.
Well, not EXACTLY like you do.
:SIGH: Maybe,
or maybe she'll be constantly trying to drive us apart like a mother-in-law from a bad sitcom.
Yeah, well that could be fun too.

"Geek sync"

We still need to figure out our wedding plans.
Couldn't we just get hitched in twenty minutes at City Hall and be done with it?
I don't think our family and friends are that forgiving.
I'm thinking all we need is a short, small ceremony with only close friends and relatives.
I agree.
what about music?
Mix our MP3 collections?

"Perhaps it's Sweeps Week"

Didn't you say before that Sabrina is your only close friend you haven't had a sexual relationship with?
Not for lack of trying, but yeah.
You know, it's not uncommon for people in your [ahem] situation to subconsciously blend emotional intimacy and physical intimacy into a single feeling.
Perhaps Sabrina is so special to you because she defies the paradigm you've set for yourself.
I believe it's a bit more complex than that, but you might be on to something.
Most of the time I'm just throwing stuff at the wall to see what sticks.
well, just so ya know, doc,
I consider you a friend too.

You're not proposing what I think you're proposing,
are you?
I just think we both could use a little fling.
You're not married are you?
Divorced.
Sorry.
Look, I know it's easy, with the intimate talk and advice, for patients to develop affections for their therapists. It happens all the time.
- not to ME personally, but...
It would be a tremendous conflict of interests, and I couldn't continue to see you as a patient.
I see.
I guess I can't change your mind, huh?
It's tempting, and I'm very flattered, but...
Sorry.
Well, I appreciate your professionalism.
Too bad though - I was hoping to show why I'm a professional in MY field!

"Angling for a less expensive option"

Are you sure I can't see you anymore?
Not professionally. It wouldn't be ethical.
I could recommend you to another therapist.
No - I think I can probably get by on my own now, more or less, but thanks for your help, doctor.
Anytime - except, y'know - not anymore.
So would you like to get together sometime?
Not as doctor-patient, just informal stuff. Maybe we can talk about what's on my mind, y'know - as friends.
'Friends', huh?
Well, we might screw around a little, but I'd at least buy you dinner and such.
I'm classy like that.

And the wedding is gonna be...
UH-OH mama!
You gotta be $#!$*ing me.
Yeesh! Why so soon? This doesn't give me time to plan anything big for her.
Knowing her, and knowing you, you think that might be the point?
She's getting married far too quickly. Doesn't she know I need time to get used to this?
Endora...
She's doing this to spite me, I just know it!

Hey Zig.
Hey... you.
I got your little invitation.
Getting married in less than a week? It's just so I don't have time to arrange a wild bachelorette party for you, isn't it?
You see right through me, boss.
Umm- could I please borrow a dressing room? I have my mother's wedding dress, and I'd like to try it on.
Your Mom's dress fits you?
It should. She was my size when she was my age.
TRACEY TAILOR
Wow.
Yeah, it scares the hell out of me too.
Well... this is-
I'M TAKING YOU DRESS SHOPPING RIGHT NOW! I WILL PAY ANYTHING TO SAVE YOU FROM THIS MONSTROSITY!!
It's not that...
Deal.

Hey Sabrina! Why didn't we get an invitation to your wedding? I thought we were friends!
Wha?
©EWS
Look, it's going to be a small ceremony for mostly family, and- we don't really know each other THAT well, do we?
Aw, c'mon Sabrina! Hook yer skunk sisters up!
Yeah! we would invite you to OUR wedding!
Well, I guess maybe I could make one exception.
Thanks! You're AWESOME!
SABRINA! Can I come to your wedding too?
SABRIIINA!
Oh my God.
I suddenly have a lot of porn stars coming to my wedding now.
No wedding could possibly have more than mine would.
Please tell them all to steer clear of my Mom, Okay?

Hey Fred, look it this. I got a wedding invitation.
Who the hell is Richard Conrad?
That's R.C. Heused to work here, remember?
Nope, not ringing a bell.
He was in the cubicle across from you for six years. You always bugged him for favors.
Nah - that can't be right.

oh YEAH, that guy!
He was a pretty cool bro.

Probably, but no one else would like it if you did.

Thanks a lot for taking care of this, Zig Zag.
Happy to do it. The rest of your bridal registry was all toys and electronics anyway.
That new dress looks great on you. You're smokin' hot when you show off a little cleavage.
You think so?
I mean - shut up.
You should've went with the lace bra and fishnet stockings though.
That's stupid. The dress would cover that stuff up anyway.
It's not FOR the wedding, it's for the wedding NIGHT!
Ohhhh.

How are plans coming along?
Pretty good actually. Nearly everything is either ready now or will be in plenty of time.
Are you still looking for someone to perform the ceremony? 'cause Zig Zag offered.
Really?
Yep, Says here she's an ordained minister in the "Church of Striped Pleasures"
- Never mind.
I'm sure we'll find someone we can work with.
It's strange how smoothly all this is going.
That's probably because we're keeping things small and not obsessing over every small detail my dear.
If it's all so easy, why am I so anxious and nauseous enough to fill a bucket?
You too? Thank God. I was worried it was just me!

It's bad luck to see the bride before the wedding!
I think that's just about seeing you in the dress before the ceremony.
I didn't want to take any chances!
Isn't that a little too...
On second thought, you're right. I'll take whatever luck we can get today. You do what you need to do.
Love ya!

I'm glad you two were able to make it.
Our boy getting hitched? Wouldn't miss it for the world!
Even if it's all a scam. No one needs any government paper or church to tell 'em that they're paired up.

I love you very much. You're my daughter, and I want to be sure you aren't making a mistake.
Hold on a second Mom. There's something I need to tell you.
You know the place I work? It's a porn studio. They make adult videos there. My boss Zig Zag stars in many of them. I've been working there for years, and I'm a big part of the studio's success on the internet, and I'm proud of the work I do there. Zig Zag flirts with me constantly, and honestly, I find it a little flattering.

Sabrina, ever since I saw your HTML code and the 64x64 pixel thumbnail of your face, I knew you were something special, even if you've worn the same clothing as long as I've known you. I knew I needed to do everything in my power to make you mine.
Thank you for rewarding my efforts with your love instead of a restraining order.
Richard, I always believed we have a lot in common, even if you're not a Transformers fan, and you wouldn't know a decent operating system if it bit you
